

Links to Level 3 and 4 Skills in the PGFL SoW for KS2 and 3

Lesson Focus: To be able to present information on a given topic

Purposes for pupil learning:

- ❖ Use appropriate software to create a map
- ❖ To understand that information can be presented in a number of different forms

Teacher purposes for learning:

- ❖ To allow pupils purposeful experience in using 2Create a Superstory

Learning activity:

- ❖ Structured introduction to 2CASS
- ❖ Creation of pirate activity using 2CASS on Scroll or Texture setting.

Differentiation:

- ❖ By group ability and understanding

Teaching Methods:

Direct: Questioning, explaining

Indirect: guidance, questioning, observation

Organisational Strategy:

- ❖ Group introduction on carpet
- ❖ Main teaching activities done individually or in pairs
- ❖ Plenary is back to whole group on carpet

Resources for teaching:

- ❖ 2CASS, clip art resource bank linked to topic, internet
- ❖ Microsoft PowerPoint or 2Paint a picture (for map creation where applicable)

Resources for pupils:

- ❖ As above

Opportunities for extension:

- ❖ Continuation of activities within classroom setting, both independent and adult directed.
- ❖ Independent exploration of the program within classroom setting.

Strategies for assessment:

- ❖ Questioning, observation, work carried out

Cross curricular links

- ❖ Literacy – instruction writing
- ❖ Geography – directions/maps

Success indicators

- ❖ Completion of tasks
- ❖ Ability to use techniques and activities demonstrated.
